

Here is task 2 in increasing complexity. From just blue M&Ms:
(I think I missed a picture where the red and blue came up!)

To multiple blue M&Ms:

To multiple M&Ms of different and the same colors!

Now pictures for task 3 (on the next page)....

First I took the photo with my mouth open:

Then I closed my mouth and added the “cloak!” (I left some slight variations on the left side of the photo so you could see I was holding something!)

I also did a reverse cloak where I made my One Direction pillow appear! Started by holding it up...

Then I could make it appear. (and I guess I like to pose with my mouth open lol)
